RE: V-16-89 - VARIANCE

Dear Mr. Brinton:

The City Council at a regular meeting held April 19, 1989 APPROVED the application of University of Nevada Las Vegas Alumni Association for a Variance to allow a mini-storage facility where such use is not permitted, on property located approximately 280 feet north of Meade Avenue, approximately 1,050 feet west of Rancho Drive, in Zoning District R-1, subject to:

1. No use be permitted in the westerly 230 feet prior to review and approval by the Board of Zoning Adjustment.
2. Install 24 inch boxed evergreen trees 20 feet on center along the north property line as required by the Department of Community Planning and Development.
3. Obtain approval of connection to the Clark County Sanitation District sewer prior to issuance of building permits as required by the Department of Public Works.
4. A Drainage Plan and Technical Drainage Study must be submitted to and approved by the Department of Public Works prior to the issuance of building or grading permits.
5. Construst drainage improvements to accommodate the expected drainage flows along the existing drainage way as required by the Department of Public Works.
6. Aesthetically enhance the building elevations as required by the Department of Community Planning and Development.

7. All lighting shall be directed away from nearby residential uses with no ray of light shining directly onto any residentially developed property.
8. The hours of operation be limited to 6:00 a.m. through 10:00 p.m.
9. Conformance to the plot plan and elevations.
10. Landscaping and a permanent underground sprinkler system shall be provided as required by the Board of Zoning Adjustment and shall be permanently maintained in a satisfactory manner. Failure to properly maintain required landscaping and underground sprinkler systems shall be cause for revocation of a business license.
11. Submittal of a landscaping plan prior to or at the same time application is made for a building permit or license, or prior to occupancy, whichever occurs first.
12. All mechanical equipment, air conditioners and trash areas shall be screened from view from the abutting streets .
13. Satisfaction of City Code requirements and design standards of all City departments.
14. Approval of the parking and driveway plans by the Traffic Engineer.
15. Repair any damage to the existing street improvements resulting from this development as required by the Department of Public Works.
16. Provision of fire hydrants and water flow as required by the Department of Fire Services.

Sincerely,
